

## Luna Innovations' CEO interviewed by The Wall Street Resource

March 12, 2020

ROANOKE, Va.--(BUSINESS WIRE)-- Luna Innovations Incorporated (NASDAQ: LUNA), a global leader in advanced fiber optic-based technology, announced that its President and Chief Executive Officer, Scott A. Graeff, was interviewed recently by The Wall Street Resource.

In the interview, Mr. Graeff gave an overview of the company and its successful strategy for growth. The audio webcast will be available at <https://thewallstreetresource.com/webcasts/> and will be available for replay.

### **About Luna**

Luna Innovations Incorporated ([www.lunainc.com](http://www.lunainc.com)) is a leader in optical technology, providing unique capabilities in high-performance, fiber optic-based, test products for the telecommunications industry and distributed fiber optic-based sensing for the aerospace and automotive industries. Luna is organized into two business segments, which work closely together to turn ideas into products: a Technology Development segment and a Products and Licensing segment. Luna's business model is designed to accelerate the process of bringing new and innovative technologies to market.
